Densuke has a couple of very big problems...
First of all, his crush on the lovely and buxom Chiharu
seems to be thwarted by the very club that they both
belong to...the Eiken Club.

**Secondly, he's a klutzy romantic with a
penchant for falling into her most feminine assets.
Can he survive the countless embarrassing situations in
order to be with the one he loves?**

Chapter 45: Komoe Next Door

Matsu's Screams

It's volume 6. ♥ Thank you to everyone who bought the comics. ♥

A little about me...

Videogames: I finished Dragon Quest 7 & Final Fantasy X. I played thirty minutes at a time. I bought Final Fantasy XI too. (I wonder if I'll have time to play...)

PC: I installed virus protection software on the computer I use to draw on but it's taking up so much memory it's slowing down my computer. Now I'm doing Internet and work stuff on my laptop.

That's pretty much it. While working I sometimes watch anime videos my assistants brought. I also go shopping at Akihabara a lot.

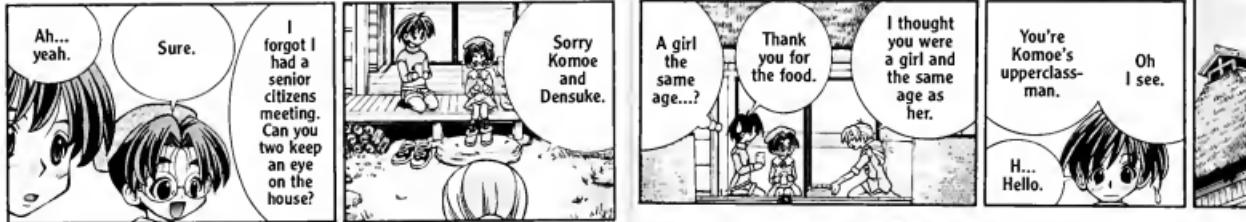

I bought a laptop and the best thing about it is that I can surf the web while I'm in bed.

Ughh...

There's a bunch of cute ones! Let's put these on and go to Lin's family-owned pool.

Yup. A clothing store in my neighborhood is closing so they gave me a bunch of bathing suits.

Nooo!

Wasn't that fun, Densuke?

Aah!

Eek!

N... No!

Oww...

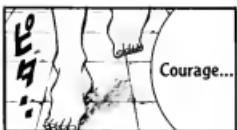

My bathing suit!!

Nooo!

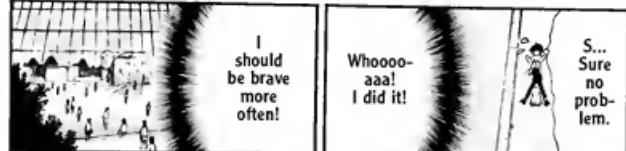

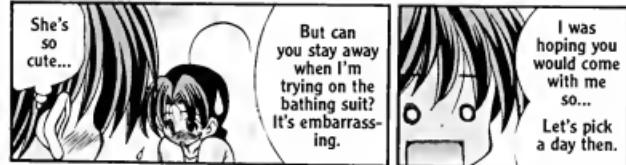

I have to move my leg.

N... No! Densuke!

I work so much so I never paid attention!

Sorry!

NO BOYS ALLOWED!

I don't think there's a rule like that.

All the other girls bring their boyfriends in.

Yup. You're so funny. You're nervous.

I didn't know you lived so close to the station.

W... What am I going to do?!

MIHARU'S HOUSE!!!

Wait...

There's really nothing else. A bed and a desk.

It's really small, and I don't have much but...

You're already here so...

Come in.

A girl's room ...

Okay ...

We're here.

That's exactly why I'm nervous!!

I live by myself, so don't be nervous.

Here. Come in.

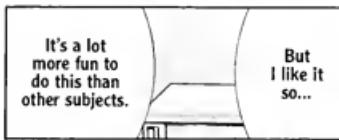

It's an all girls' dorm!!

Yeah but they're all apartment rooms.

Volume 5: The Misono Family's Mystery – Bonus side story

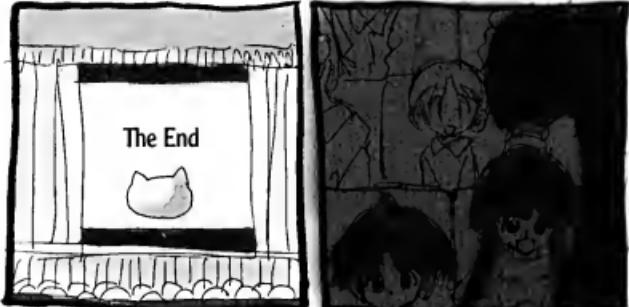

ILLUSTRATION TIDBITS

Illustration for promo goods.

Originally her hair was covering her chest but that seemed boring so I changed it. Now she's squeezing her breasts with her hair in between. I'm very happy with it. By the way, lately Chiharu's breasts are TOO big!!

S... Someone stop me...

T-shirt Illustration

Here are four frames from Komoe stepping on Udon noodles. I hope my parents aren't wearing the sample shirt I sent them...

CONTINUED IN VOLUME 7!

Volume 6. cover

I said I'd draw a dirty picture in Volume 5 but... She ended up wearing the summer uniform instead. I really enjoy drawing Kirika with a serious look. I changed the coloring style from volume 5. Hope you like it.

Volume 6 back

I drew the featured characters of this volume. The main feature is Nekomanman. Hmm... I'm gonna draw a dirty cover for volume 7!!
